Eric, Chip -

I just got off the phone with Carl and he is not available on Monday. SO...since Bruce is not available the week of Nov 20, it looks like we need to go ahead to the week of Nov 27. Carl has already indicated to me a preference for the 29th or 30th. Can you scope out these dates?

Thanks  
Valerie

Valerie, it doesn't seem like Tuesday will work either. We have the milestone meeting on Wednesday. Thursday doesn't work for your team and we already discussed Friday. I think that leaves Monday. We need to find a time the week of the 13th because Bruce will be unavailable the following week.

Sorry about this.

Eric

Hi Eric -

Is EPA available on Tuesday, Nov 14 from 10 -2 for this meeting? I suggested Thursday to LWG and that didn't get a very enthusiastic response. I realize that Tuesday you might have meetings to prepare for the Milestone meeting; as does LWG in the afternoon.

thanks  
valerie
